# HEMATITE

1958

## FOREWORD

We, the class of 1958, are honored to present this Hematite.

It shall be one of our most treasured possessions; as we turn the pages of this book, we are greeted by our fellow classmates and teachers. We are reminded of our good times, wonderful training, and great opportunities that were ours when we were in high school. These are the days that we shall always remember and cherish for years to come.

## HAIL! BEACON LIGHT

Hail! beacon light of Ishpeming,  
Hail, High School, 'tis of thee we sing  
'Neath heav'n's high dome of azure blue  
Thou art thyself as firm and true  
Surrounded by the hills so old  
Whose iron heads are strong and bold

To thee our people turn with pride  
In thee their love and hopes abide,  
Thy sons and daughters do thee bless,  
Thy teachings mould a life's success  
Then let us haste and our hands raise  
Wreath 'round our High School ever fair

Superior's mighty deeps are blue  
And Northern skies are that fair hue  
Our color this—it tells of might  
Of love of truth and love of right,  
Long life and health and happy hours  
God grant thee, Alma Mater ours

## AROUND THE WORLD

The Class of Nineteen Fifty-Eight,  
Has gathered here to say adieu, to our dear  
white and blue  
Tonight with heads bowed  
We say farewell to friends  
on our way

The beacon light will ever glow  
As now we face the world ahead  
we go,  
And though we may go all around the world,  
We won't forget our high school

So let's join in one accord,  
and thanks to all who helped us gain  
that reward,  
Forget the prom, the teams,  
in chorus say, and our own

The beacon light will ever glow  
As now we face the world ahead and into life  
we go  
And though we may go all around the world  
forget our high school days

## FOOTBALL

### Ishpeming 32 — Manistique 13

The Ishpeming Hematites opened their season in eighteen years, and won over Manistique. Bob Will and each scored two touchdowns. Wills threw a 40 yard pass for the last touchdown.

### Ishpeming 19 — Iron Mountain 13

The Hematites won over Iron Mountain with high honors. Their 19-13 victory was due to King, who were aggressive and offensive.

### Ishpeming 28 — Soo 19

The Hematites won over Soo with a 28-19 victory. The game was a close one, with both teams scoring touchdowns.

### Ishpeming 19 — Marquette 21

The only black mark on the Hematites' record came when they lost the game to the Marquette Redmen. The scoring was as follows:

then Marquette matched the Hematites' lead for touchdown. Two more touchdowns, one by Wills, and one by Westwater gave Ishpeming a 19-14 lead in the last quarter. In the last minutes Marquette scored and tied the Hematites by two points.

### Ishpeming 15 — Negaunee 13

Due to sickness and injuries the Hematites had a hard fighting game when they met Negaunee at Negaunee. In the end of the game, Wills and Westwater did the Hematites' scoring. Gardner Bess threw a 40 yard pass, on an outstanding play, for a safety which proved a winning margin.

### Ishpeming 12 — Stephenson 6

The Hematites' year's loss, met Stephenson on our field. Wills did all of the Hematites' scoring, one touchdown and one safety. The game was a close one, and run back by John Decaire. The Hematites had possession of the ball in the last minutes and in 11 minutes made a 92 yard touchdown. The game ended.

**Ishpeming 34 — Gladstone 20**

The Hemalites traveled to Gastone to meet the Braves on Marb'e Field. Jim Westwater was the standout of the day, scoring 3 of the 5 Ishpeming touchdowns. He made a dazzling display of broken field running when he capped the day with a 99 yard run after intercepting a pass.

**Ishpeming 7 — Stambaugh 7**

A tie was the result of a hard fought game as the Hematites deadlocked with the Hil-toppers. With their passing working exceptionally well, the Hematites marched 79 yards for their only touchdown.

The Hemalites compiled a 6 1-1 record, the best since 1939. John LaPointe, one of the two

standout guards for the season, was elected captain for the following season.

Robert Wills, Dale Ruohomaki, and John Decare were selected for the Great Lakes Conference team. Duane King and Tim Tippet received honorable mention. Robert Wills and Dale Ruohomaki were selected to the All U P

Robert Wills was also selected for the A.I. Class, All State team, and Dale Ruohomaki was selected for the A.I. State Class B second team.

Graduating seniors are Captain R. Wills, Captain D. Ruohomaki, D. King, J. Decaire, T. Tippet, J. Laver, P. Saari, R. Kostamo, J. Carter, J. Tasson, J. Bussone, R. Giotto, K. Locke R. Ruusi.

## VARSIITY BASKETBALL

The Hematites of 1957-58 continued the fine performances of Ishpeming teams over the past years. The team finished the season with a record of 17 wins and 3 losses. The Blue and White won the Great Lakes Conference Trophy for the third time to gain permanent possession of it. They also won the Class B District title at Negaunee and reached the finals of the Regional Tournament at Houghton, but were defeated by Marquette in the final game.

The Hematites outscored their opponents 1244 to 1050. They made 297 out of 427 free throws for 69.5.

### **Ishpeming 49 — Stambaugh 33**

Presenting a well-balanced attack, the Hematites beat the Hilltoppers to take their ninth straight opening game.

### **Ishpeming 64 — Iron Mountain 46**

Getting off to a slow start, the Hematites were behind at the first quarter mark, but Bob Wills and Pete Missile found the range to lead the team to its second victory.

### **Ishpeming 64 — Munising 47**

A good Munising team was no match for the Hematites as Coach C. C. Watson used all 15 players in the game.

### **Ishpeming 43 — Escanaba 40**

Having a cold night, the Hematites managed to squeak past a good Eskymo squad for its fourth straight victory.

### **Ishpeming 57 — Negaunee 49**

Outshooting and outplaying their opponents, the team won over their arch rivals from Negaunee for the fifth straight of the season.

### **Ishpeming 62 — Marquette 57**

Getting even for the two defeats the past year, the Hematites won a close hard-fought game from the Redmen.

### **Ishpeming 68 — Newberry 50**

Completely outclassing the Indians, the Hematites made it seven straight victories.

### **Ishpeming 73 — Escanaba 62**

In a game that both teams were rated an even chance, the Hematites played superior ball and came out on the long end of the score. The game was nip and tuck until the last few minutes when the Hematites pulled away.

### **Ishpeming 57 — Gladstone 52**

Behind with three minutes to play, the Hematites managed to come out on the top, thanks to the sharp shooting of senior Bob Wills who had 26 points.

### **Ishpeming 62 — Stephenson 43**

Though playing a taller team, the Hematites outclassed their opponents to win by a large margin. All 15 players were used in this one.

### **Ishpeming 67 — Marquette 57**

Making it eleven straight victories, and two in a row over the Redmen, the Blue and White outshot and outplayed their foes in the final period to win.

### **Ishpeming 72 — Hancock 63**

The Bulldogs were all fired up for this game but the red-hot Hematites managed to acquire their twelfth straight victory.

### **Ishpeming 66 — Soo 57**

Sportswriters called it the game of the year.

Undefeated Soo (11-0) and undefeated Ishpeming (12-0) to decide which was the better team. Though spotting their foes much in height, the Hematites' balanced attack was too much for the Blue Devils as the Blue and White clinched the Great Lakes Conference title.

#### Ishpeming 41 — Negaunee 45

Making use of good ball-control and an excellent defense, the Miners won a prize victory over the Hematites to end a winning streak of 13 games.

#### Ishpeming 70 — Ironwood 49

Still smarting from the loss to Negaunee, the Blue and White completely outclassed Ironwood to get back in the win column.

#### Ishpeming 53 — Iron River 57

A red-hot Iron River team was too much for the cold Hematites. Nothing went right as the team ended the regular season with a loss.

### DISTRICT TOURNAMENT

#### Ishpeming 78 — Hancock 68

Remembering a near victory earlier in the season, the Bulldogs tried their best but a well-balanced Hematite attack again proved to be the difference.

#### Ishpeming 80 — Calumet 60

In a game that was nip and tuck until the last four minutes when the Hematites ran roughshod over the Copper Kings, Ishpeming reigned as District Champions for the 1957-58 season. The team as a whole hit 54% and Bob Willis hit 74% of his field goals attempts while garnering 32 points.

### REGIONAL TOURNAMENT

#### Ishpeming 66 — Escanaba Holy Name 53

Though a much colder team than they were in Negaunee, the Hematites were good enough to beat a tall Crusader squad to qualify for the Regional finals. The Hematites iced the game in the last few minutes. Dale Ruohomaki scored 21 points.

#### Ishpeming 52 — Marquette 54

It was a heart-breaker for the Hematite followers as the Redmen gained revenge for two regular season defeats by downing the Blue and White 54 to 52 to reign as the U. P. Champions. Ishpeming was not hitting from out and an excellent Marquette defense did not allow many close shots at the basket. The Redmen led all through the second half although the Hematites battled to within one point they could not gain the lead.

# TRACK 1957

## ISHPEMING 58 $\frac{1}{4}$ — NEGAUNEE 50 $\frac{3}{4}$

April 30

The 1957 track team, coached by Mr. Koski and Mr. Hammar, started the season with a dual meet with Negaunee. Because of a late spring both teams were not in top condition. The Hematites edged out the Miners by a score of 58 $\frac{1}{4}$  to 50 $\frac{3}{4}$ .

## GREAT LAKES CONFERENCE MEET

May 4

On May 4th the Blue and Whites travelled to Manistique to participate in the annual Great Lakes Conference meet. Bob Wills set a new record in the broad jump with a jump of 20' 3 $\frac{3}{8}$ ". A strong Soo team placed first in the meet, and the Hematites, with 24 $\frac{1}{2}$  points, took fifth place.

## ISHPEMING 57 $\frac{1}{3}$ — NEGAUNEE 51 $\frac{2}{3}$

May 7

In the second dual meet of the year against Negaunee, and held at the Negaunee Athletic Field, the Hematites edged out the Miners to the tune of a 6 $\frac{1}{3}$  point lead. Bob Wills made a clean sweep of his trio of specialties; the broad jump, high and low hurdles, plus running on the victorious Ishpeming 880 yard relay team.

## REGIONAL TRACK MEET

May 11

In the regional meet held in Marquette, Ishpeming came in third behind a high-flying Copper Kings team from Calumet, which piled up 58 $\frac{1}{2}$  points. The Ishpeming Hematites got 32 points. Six members of the team qualified for the U. P. Finals. Roger LaFreniere took second in the pole vault with a vault of 10' 8".

## U. P. FINALS IN HOUGHTON

May 18

On Saturday, May 18, the U. P. Finals were held on the Michigan Tech track at Houghton. It was a cold, windy day, and the runners had to brace themselves against a strong wind. Six boys from the Hematite squad made the trip. Bob Wills, Roger LaFreniere, William Parviainen, John Carter, John LaPointe and David Schultz. The Hematite delegation placed 4th in a total field of 16 schools, with 20 $\frac{1}{2}$  points. The 880 Relay team and Roger LaFreniere, who participated in the pole vault, won medals. Bob Wills placed first in the 100 yard dash, 180 low hurdles, and second in the broad jump.

## FRESHMAN-SOPHOMORE TRIANGULAR MEET

In this meet, held at Marquette, Ishpeming took second place with 48 $\frac{1}{2}$  points.

## COUNTY CLASS B MEET

May 24

This meet was post-poned a week because of bad weather, and was finally held at Ishpeming. Bob Wills set a new county record on the low hurdles with a time of 21.19. Marquette won the meet with 69 points, Ishpeming had 41 and Negaunee had 27.

## MEMORIAL DAY RELAYS

May 30

On May 30, the annual Memorial Day Relays were held at Marquette. A determined Hematite team placed third in the last meet of the season. The margin was very small among the first three teams. Marquette placing first with 33 points; Soo, second with 32 points; and Ishpeming, third with 31 $\frac{1}{2}$  points. The 440 relay team set a new record with a time of 45.6 seconds.

## SENIOR CLASS PLAY

Under the excellent direction of  
presented their class play on Novem  
The play, A Full House, was a  
hit comedy written by Fred Jack

Ned Pembroke, a young fellow desperately in love with Daphne Charters, sends his lawyer friend, George Howell, on a trip to recover the love letters he has written to Vera Vernon, a showgirl. On this trip Howell is involved in a train wreck and accidentally exchanges grips with a burr'ar, Nicholas King.

While Howell is away, his wife Ottav receives visitors from Yonkers. Miss Winnecker aunt, and her sister Daphne Parks, the English butler, informs them of the Boston robbery in which Mrs. Pembroke's ruby necklace was stolen.

comes more involved when the appearance of the stolen jewels in the young lawyer's grip brings the police force on the scene. The situation becomes quite humorous as everyone is permitted to enter the apartment, but no one is allowed to leave. Soon there is a full house. Mrs. Fleming, the owner of the apartment, is outraged at the presence of the police force and threatens to turn George and Ottily out of the apartment.

The burglar, cleverly disguised as a detective, manages to obtain the thousand dollar reward by returning the jewels which

as he himself had really stolen, and then makes a very graceful exit.

All this time, Susie, the half-witted maid who don't know nothing," really knows something. She and Parks, the ever present English butler, are an excellent pair in helping to centuate the humor throughout the play.

## HISTORY - STATISTICS

In the words of a well-known showman, "It's getting to be that time again," for the class statistician to entertain, inform, astound and confuse you with a maze of figures. It has been said that facts are stubborn, but statistics are more pliable. With this in mind, we shall try to untangle this maze to present a picture of the graduating seniors.

We are descended from fourteen nationalities the leading ones of which are the Finnish, English, French, and Swedish. This pattern has been repeated for many years. While 227 of our parents were born in the United States and 115 within the boundaries of Michigan 11 (5%), the lowest number ever, are of foreign birth. These foreign countries include Finland, Italy, Sweden, Isle of Man, and England. The parents of 36 students are of the same nationality.

In 31% of our homes a foreign language is spoken, and 20% of us, an increase over last year, can join in the conversation.

Forty-six per cent of our parents have received high school diplomas, and 22%, the highest percentage ever recorded, are graduates of colleges and universities. We have been affected by the loss of one mother and twelve fathers, while four homes have experienced separation and five, divorce.

The number of mothers employed at this time is 35%, and this number has been surpassed only by the class of 1952. In the employment of our fathers our class has the largest number—64%, working for the mining companies.

After this study of our backgrounds, we shall now relate some facts about ourselves. We find that 77% of us were born in Ishpeming, and 55% are products of the Ishpeming Public Schools. The 119 seniors, 62 girls and 57 boys, comprise 18% of the total high school enrollment. Twenty-two of us have traveled to and from school each day this year by bus, and we suspect that a large number besides.

the bus students use some means of transportation other than walking.

As was the case last year, our average age is 18 years, but the baby of the class is 17 years, 6 months, and 8 days old. We should like to wish a happy birthday to two seniors who are celebrating their 18th birthdays this week.

A typical member of our class would have blue eyes and brown hair. Our average weight is 137 pounds, but the two extremes are represented by the largest boy who weighs 230 pounds and the lightest girl who weighs only 90 pounds. Of the 25 seniors blessed with naturally curly hair, 17 are girls.

Fifty-two members of our class wear glasses. Six seniors have perfect sets of teeth, 5 have at least one false tooth, and 4 have worn braces at one time or another. Fourteen are left-handed, and 2 are ambidextrous.

Although our records of health show a similarity to other classes, the advent of the Asian flu may account for the fact that the seniors were absent from school a total of 544 days during the first three quarters of this year. It is fortunate that 62% (the smallest number of any class) are enrolled in the school accident plan and that 92% are covered by life insurance, for we have had our share of broken bones and operations. Ten seniors have collected on the school accident plan. Our 36 bone fractures include: 9 collar bones, 8 arms, 5 wrists, 4 legs, 3 fingers, 2 noses, 2 toes, 1 shoulder, 1 jaw, and 1 ankle. Sixty-one members of our class have had operations, including 34 tonsillectomies and 19 appendectomies. We have had the usual shots for polio, tuberculosis, smallpox, and diphtheria, and many of us have had chest X-rays.

All but 4 seniors have taken part in the many school organizations and activities. One senior girl has listed 25 activities in which she participated during 4 years of high school. Another has already spent the equivalent of 16 years in club work, and one of our athletes has had 16 years of experience in sports during his high school career. To be able to speak with ease before the public requires experience. Three quarters of our members, far more than in any previous class, have had the opportunity to speak from this stage. More than half have participated in a broadcast over WJPD, and 13% have already appeared on WDMJ-TV. During four years of high school, 20 boys have been members of the football

team, 20 have gone out for track, 11 have participated in basketball, 6 have engaged in baseball, and 2 have been members of the golf team.

Evidently many of us listen to the "Where to Go and What to Do" program, for we have participated in a large number of activities outside of school. We belong to DeMolay, Job's Daughters, National Guard, Scouts, City Band, Choral Club, Hematite Rifle Club, Maccabees, and the Ishpeming Ski Club. A majority of our class are members of 13 church groups, and 81% of us regularly attend 13 different churches.

We must not fail to mention the ever-present chores at home. Eighteen have avoided them and this includes one smart girl who is relieved of household tasks by giving up her allowance to her younger sister!

Recreation plays an important part in our lives. Swimming, the pastime of the majority, is enjoyed by 97% of the class. Twenty-one per cent have learned in the pool at Ishpeming High. Camping, movies, and dancing rank next in order among our interests. Our 40-odd hobbies include even such things as collecting pictures of the American Indians and studying psychiatry. Skiing is popular during the winter season, and 71% of the seniors have used the Winter Sports area. Only one boy has ridden Suicide Hill, but 15 others have attempted the landing. We are also interested in music, since 28% play the piano and an equal number can play some other instrument. Our class can claim 2 amateur radio operators and a winter queen.

We seem to be a group of travelers, for all of us have been outside of Marquette County and the Upper Peninsula, and only 2 have never left the state of Michigan. Twenty-six of us have flown in an airplane, but 19 have never ridden in a train. More than half have visited Canada, and 5 have gone to Mexico. One boy has traveled to Europe, while another has spent the greater part of his life in South America.

Eighty-nine per cent of us have attended at least one school party while 53% have gone to an Ishpeming Prom. All but 5 seniors have visited the Ishpeming Youth Center, and 71%, the same number as last year, have attended regularly.

Over three-quarters of us go to the movies at least once a week, but 6 have no interest at all in this form of recreation.

On the all-important question of dating, 91% of the class date, a greater number than last year. Sixty-eight per cent believe in steady dating, and an equal number have practiced it.

All of our interests take us away from home an average of four nights a week, but only 7 (6%) of us, the smallest number ever, are out **every** night. We retire at approximately 10:00 P. M. on week nights and awaken about 7:00 A. M. on week days. Of course, this does not account for our weekends!

Only 42% of our class hold part-time jobs. With the exception of the year 1949, this is the lowest number to hold jobs in 20 years. Our average wage is 80c an hour, 2c less than the all-time high of last year. Fifty-two graduates have had experience clerking, and one-half the class have delivered papers.

We are as thrifty as the 1957 graduates, because 52% again have savings accounts, while 30% have Christmas Clubs and 52% own government bonds. In contrast, our weekly expenditures vary from nothing to \$15, with the average per week being \$2.46.

Ours is also a class of many material possessions. We own a total of 351 radios for an average of three to a home. One hundred thirteen families have at least one television set, and we seniors spend about 2 1/4 hours a day watching television. Eighty per cent of our parents own their homes, and 43% have camps, double the number 20 years ago. All but 3 families have at least one car, and 85% of us have to argue with our 145 brothers and 163 sisters about who can have the family car. Of the 110 (92%) licensed drivers in our class,

76 (64%) have learned through the IHS Driver Training course. Twenty-four of us own our own cars, and 3 have jeeps. We can also claim ownership to 68 bicycles and 8 motorboats. Eighty-three different magazines and newspapers are found in our homes. We take care of our 63 pets, and one girl claims that the only pets in her family are her three baby sisters.

In the year 1944 more than half of the class graduated from the Science Course, the highest number ever. In 1949 this number dropped sharply to 22%. Apparently the emphasis being placed on missiles and satellites has begun to show some effect, because this year 47, or 40%, of the seniors are graduating from the Science Course. Twenty-three of us are majors in Business Education, 17 are graduating from the General Course, 14 chose the History and Social Science Course, 13 are specializing in Industrial Arts, and 5 graduates from the Home Economics Course complete the list.

Looking to the future, we find that almost three-fourths of the class plan to continue their education beyond high school. Twenty years ago about one-third of the seniors had decided on a definite vocation, while this year one-half have chosen their vocations. Teaching, engineering, and clerical work are the first, second, and third choices. Thirty-one senior boys are planning to enlist in the Armed Forces, and almost half have chosen the Navy.

The time for statistics is over, but ahead of us lie many years for continuing our efforts so that we can realize the dreams of these early years and fulfill the promises we have made to ourselves and the world.

—Karen Bennett
